

**IPPA Self Referral Workshop, 28<sup>th</sup> September 2005, Melbourne**

**Name:** \_\_\_\_\_

**Email address:** \_\_\_\_\_

**Country:** \_\_\_\_\_

**Other Information:**

How is private practice funded?			
Does pre-registration education prepare for self referral?	YES	Not Sure	NO
Are there particular difficulties with this system for physiotherapy? – does the funding system encourage or hinder self referral?	YES	Not Sure	NO
What proportion of overall referrals are self referrals?			
What data do you have and how do you use it?			
Are you interested in joining an international collaboration?  If YES.  How many patients a year would be involved from all referral sources?	YES	Not Sure	NO
Would you use a computerised system?	YES	Not Sure	NO

Please note any other comments you think relevant in this box. This could include information about how self referral is viewed/supported by your professional body, the public, politicians, doctors etc

If we do proceed with an international project, what do you think are the key issues we should be capturing?
